Thank you for your donation

Dear [REDACTED]

Thank you for supporting Doctors Without Borders/Médecins Sans Frontières (MSF) with your one-time gift of \$50.00. Your generosity gives us the ability to provide emergency medical care to people in more than 75 countries around the world.

At the core of our work is a commitment to independence and impartiality. MSF USA does not accept any government funding and relies on unrestricted funds from donors like you. This means that when an emergency strikes, we don't have to write grants or navigate red tape before we respond—we act fast.

Your reliable support allows us to respond quickly to the most urgent emergencies—saving lives where the needs are greatest.

Thank you again for your donation to MSF. We are grateful for your support.

With deepest gratitude,

Tirana Hassan
Chief Executive Officer
MSF USA
